Many thanks. I'm sorry you won't be there.

If we reach agreement on recommendations it will be about how to proceed with assessment of mitigation options, [redacted]

Having seen in some detail the way that the Swedish and German authorities are going about it we can do better…

But I am not optimistic - we will see.

Thanks again

Please accept my apologies but I will be unable to attend tomorrow's meeting. [redacted] and [redacted] will be attending to represent Defra. I hope the meeting goes well and wish you luck in reaching agreement on recommendations. From the emails I've seen this morning I expect it to be a very interesting and eventful meeting.

Best wishes
