Access

2. **Public access**. Public access is governed by the Otterburn Training Area Byelaws. Outside the firing times listed above, and when NO RED flags or Lamps are displayed, public access to the ranges is permitted on **specified tarmac roads, public footpaths and bridleways only**.

3. **Access Guides**. Access information for the above training areas is published by the National Park authority and is to be adhered to for the safety of all. The access information gives clear guidance to areas that are open to the public during live firing and during period of no live firing activity.

4. **Information availability**. Information on access to the above live fire range areas can be found at; National Park Authority locations, Local Tourist information centres, libraries, local shops and hostelries or downloaded from:

https://www.gov.uk/defence-infrastructure-organisation-and-the-defence-training-estate

Dry Training

5. **Dry Training (no live ammunition)**. Dry training using blank ammunition and pyrotechnics may still be conducted outside of the published firing times above.

Safety

6. **Suspicious items**. For your own safety **do not pick up, kick, or remove any object. Do not stray of the access routes or tarmac roads.**

7. **Snow and Ice**. MoD at Otterburn cannot guarantee that the roads/tracks within the range areas will be salted and cleared of snow during inclement weather.

Additional information

8. Cancellation of firing may take place after the publication of this notice. Further information can be obtained by telephoning the Training Safety Officer on 0191 239 4201 or 0191 239 4227.
