Brief note and Actions

No.	Agenda item	Brief note	Action by
AHVLA update			
	China	Pig meat still not resolved as AQSIQ blocking. Breeding pigs non-negative test for a range of diseases as high as >10%. [redacted] working with industry to resolve this. Beef and Lamb- [redacted] attended meeting with [redacted] who are keen to provide resource to help push this. Small project to be set up looking to MOU. AT highlighted industry interest in porcine and bovine semen. Need for urgent UKECP visit (AG). MoS visiting in May.	[redacted]/DMCES DMCES
