REDACTED REDACTED. Before I went on leave I sent you a briefing for Moira's meeting with Gus O'Donnell (my email of 13.37 on 9th June).

I understand from Nafees that the meeting was further delayed and will now happen tomorrow.

We are confident that the original briefing still stands, briefing on Baron's Turnbull's criticism of policies based on 'flawed' climate science.

I attach a very slightly updated version (which is not yet on Matrix). Please let me know if you need anything else.
