Command and Control

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

UK oil spill response

- Each cell has a specific role
- Some cells make decisions and initiate actions
- Some cells have statutory powers, some do not
- Some provide advice to other units

Prime objective of all involved to minimise the potential effects of the pollution

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

Alerting

- The Polluter
- Third Party
  - normally via CGOCs
  - BEIS Env Inspector
  - Harbour Authority
  - Offshore Operator
- Aerial Surveillance and Verification
  - Tour d'Horizon
  - Bonn Agreement Partner States
- CleanSeaNet
  - only wide area surveillance capability available to UK

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

HM Coastguard

- Coastguard Operations Centre (CGOC) (old MRCC)
- Civil Maritime SAR Co-ordination
  - Automatic Identification System (AIS) Surveillance
- Gather further information on the potential threat:
  - Hydrocarbons
  - Hazardous cargoes
- Maintains communications
  - With the ship/installation
  - With other shipping and/or installations
- Alerts the Duty CPSO…….

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

Duty CPSO

- Front line on-call for pollution response incidents in UK waters
- Make assessment & establish category of incident – trigger point ?
- Assess ship owners and/or operators initial responses
  - Where offshore - liaise with BEIS
- Consider response strategy
- Inform relevant authorities / organisations
- Primary contact for external agencies
- Assume initial MCA responsibility for Counter Pollution & Salvage implications of incident

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

SOSREP

- SOSREP
  - **SOSREP has ultimate powers to intervene on behalf of Secretary of State for Transport in any salvage situation or situation where there is a threat of significant pollution**
- Powers to issue Directions
  - require ships to be moved or not to be moved from a specific area or locality within UK Waters.
  - establish Temporary Exclusion Zone (TEZ)

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

Salvage Control Unit (SCU)

- Chaired by the SOSREP - or designated person
- Continues to monitor and evaluate operations, ascertain progress;
- Establish all objectives and proposals;
- Provides a forum for discussion between parties;
- Provide an avenue for state intervention if necessary;
- Conducts salvage plan approvals;
- Consider risks and dangers;
  - people and the environment
- It is NOT a committee

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

SCU

- SOSREP
- Salvage Master
- MCA Representatives – CPSO and CGLO
- Environment Liaison Officer (Environment Group)
- Independent Salvage Advisor (if appointed)
- Single representative of shipowner and/or insurers
- Other Coastal State Representative – if applicable
- *SOSREP discretion to admit other representatives as appropriate*

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

Marine Response Centre (MRC)

- Monitoring progress and effectiveness of at sea response
  - has authority to take the lead
- Recording of the decisions taken,
- Preparation of regular briefings for circulation to all interested parties, and
- Management of financial expenditure

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

MRC Composition

- Head of the MRC
- Duty Counter Pollution and Salvage Officer (DCPSO)
- Counter Pollution and Salvage Officer - Current Ops
- Counter Pollution and Salvage Officer - Future Ops
- Environmental, Scientific & Technical Team
- MCA Resources and Claims Lead + Support
- MCA Public Relations Officer
- Administrative Support:
  - MRC Room Manager + 3
- Liaison Officers

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

SCG/RCG

- **The SCG/RCG will co-ordinate and lead the <u>on-shore</u> response:**
  - Determine the extent of the problem
  - Agree a strategy and priorities
  - Brief elected members, Ministers, VIPs, media
  - Initiate response
  - Obtain and allocate resources
  - Determine methods of waste disposal
  - Monitor progress

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

Multi-Agency response

Local Authority personnel will be mainly concerned with shoreline clean-up

- EA / SEPA / NRW
- NE / SNH
- MMO / MS-ML
- Contractors
- ITOPF
- Oil & Gas UK
- UKHMCG / CPS
- Oil Company
- Police / FRS
- UKPIA

Safer Lives, Safer Ships, Cleaner Seas

Maritime & Coastguard Agency

Environment Group (EG)

- Function
  - To provide advice and guidance on environmental matters to SCU, MRC & SCG/RCG
- Role is purely advisory
  - EG has no formal powers (although members may have)
- MCA initiates then contacts:
  - Statutory Nature Conservation Body
  - Environmental Regulator
  - Fisheries Department
