Appendix E: Department for International Trade (DIT) letter

This document is for Tier 2 sponsors. It is an appendix to the full policy guidance on sponsoring a worker. It is an example of a secondary evidence letter for DIT to certify it is aware of a company through it's (i.e. DIT's) links with one of the Devolved Administration's (DA's).

The letter should be addressed and sent to the company requesting sponsorship.

This is to confirm/verify that **(insert company name)** is known to the Department for International Trade (DIT) through its Devolved Administration **(insert name of devolved administration)** counterparts.

DIT helps businesses locate in the UK and grow internationally.

DIT has assisted the company with regard to its recent UK investment/existing UK operation. This is not, and should not be considered, a letter of support, endorsement or assurance of the company's legitimacy but simply a factual statement of DIT's involvement/relationship with the company.
