TRANSPORT AND WORKS ACT 1992

The Breath Analysis Devices Approval 1998

The Secretary of State, in exercise of the powers conferred upon him by section 31(1)(a) of the Transport and Works Act 1992 (a), hereby approves, as from 1st March 1998, as a means by which specimens of breath may be provided for analysis under that section, each of the types of device set out in the Schedule hereto for use in England and Wales.

Alun Michael
Minister of State

Home Office
2 February 1998

SCHEDULE

The device known as the *Camic Datamaster*, manufactured by Camic (Car and Medical Instrument Company) Ltd, composed of the Camic Datamaster, the Camic Gas System and software version 31-10-95.

The device known as the *lion intoxilyzer 6000UK*, manufactured by Lion Laboratories plc, composed of the lion intoxilyzer 6000UK, the lion intoxilyzer 6000UK Gas Delivery System Type A or Type C and software version 2.33.

EXPLANATORY NOTE

(This note is not part of the Approval)

Section 31(1)(a) of the Transport and Works Act 1992 empowers a constable, in specified circumstances, to require a person to provide two samples of breath for analysis by means of a device of a type approved by the Secretary of State. This Approval approves as from 1st March 1998 for the purpose of analysing specimens of breath which may be provided for analysis under the said section 31(1)(a) the types of device set out in the Schedule.

(a) 1992 c.42.
