Dear Mr Winsor,

Independent Review of Police Remuneration and Conditions of Service.

I refer to your letter dated 1st October 2010 in relation to your Review of Police Remuneration and Conditions of Service.

I have sought clarification from the Cabinet Secretary for Justice in the Scottish Parliament in relation to this Review as policing is devolved to Scottish Ministers and I understand that Mr MacAskill has corresponded directly with you to outline the Scottish position.

The Association of Scottish Police Superintendents is fully committed to the Police Negotiating Board for the United Kingdom, and, as such we will continue to fully engage in all matters relating to pay and conditions through this mechanism.

I understand you will be visiting Scotland next month and I believe there may be an opportunity for Scottish members of PNB to meet with you at that time.

Yours Sincerely,

David O'Connor
President of ASPSP
