I. L. F CONSULTATION TEAM,

Dear Sir or Madam,

On behalf of members of the above Charity, whose family members receives I. L. F., I would ask that you put forward the following queries:-

1. Can you guarantee to keep care and support costs at the present amount needed?  
(Especially for those on the highest level of I. L. F.)
2. What level of support, (and from where will it be funded) will there be if a closure of the fund is agreed, to help with the chargeovers?
3. Please all bear in mind, that not only are our dependants growing older, and needing more support. but we are too!!

Yours sincerely  
A. Weightman (A.D.A CHAIR)
