Sir

my Daughter brought up  
your review of proposed  
changes to DISABILITY LIVING  
ALLOWANCE to which I myself  
claim, here are my  
Comments not only for myself  
but for everyone else.

I am afraid  
I strongly disagree I am 77  
years old ~~had~~ and

2

had this award for life  
I am not in receipt of  
invalidity or attendance  
allowance, but I do not  
trust your government who  
are going back on their  
promises (BROKEN ones) you  
cant say they are not  
it is to my way of thinking  
another way of cutting  
Benefits I lived through  
1980 Sir and you havent  
altered your attitude to  
the poor never will how  
do you know what its like  
living on a small income  
you are million ~~are~~ richer
