27	Handicap International	WASH	October '10 – April '11	Open	Supports Handicap International to provide safe drinking water, sanitation services, basic household items and shelter to approximately 100,000 people in Sindh Province.	1.7
28	CARE	Multi Sector relief	October '10 – April '11	Open	Supports CARE to provide safe drinking water, health care and basic household items to approximately 100,000 people Punjab and Sindh Provinces.	2.0
29	Food and Agriculture Organisation (FAO)	Agriculture	October '10 – July '11	Open	Supports FAO to provide approximately 148,200 vulnerable families in Punjab, Sindh and Balochistan by providing (a) 3,560 tonnes of wheat seed and 7,120 tonnes of fertilise sufficient for 71,000 families to plant one acre; (b) short season vegetable seeds sufficient for 71,200 families; (c) 4,920 tonnes of critical livestock feed, fodder seed; and (d) veterinary medicines to ensure the survival of animals - this will ensure a supply of milk for 41,000 families which they can consume for improved nutrition and sell any surplus for income.	7.0
30	Oxfam	WASH	November '10 – February '11	Open	Supports Oxfam to provide safe drinking water and sanitation services to approximately 105,000 people in Sindh province.	1.8

31	Health and Nutrition Development Society (HANDS)	Education	December '10 – September '11	Open	Supports HANDS to improve rehabilitate approximately 1,000 schools and improve access to water and sanitation and health services. This will benefit approximately 100,000 children in Sindh Province.	3.0
32	Plan International	Education	December '10 – September '11	Open	Supports Plan International to provide education materials and improve WASH facilities in existing schools to approximately 58,500 girls and boys (aged 5-9) in Punjab Province. Plan International will also support income generation opportunities for 20,000 highly vulnerable families.	3.0
33	Save the Children (SCF)	Education	December '10 – September '11	Open	Supports SCF to rehabilitate 265 schools, increase enrolment rates and support income generating opportunities for 45,500 households in Punjab and Sindh Provinces.	3.7
34	UN HABITAT	Shelter	January '10 – September '11	Open	Supports UN HABITAT to provide basic shelter to approximately 25,000 people in Sindh Province. UN HABITAT will also undertake disaster risk reduction activities including hazard mapping and training on how practical building and village design can increase community resilience.	1.75
35	Consortium of British Humanitarian Agencies (CBHA)	Livelihoods	December '10 – August '11	Open	Supports CBHA to facilitate an NGO consortium approach to early recovery activities in the agriculture and livelihoods sectors. Participating NGOs include: Oxfam, Save the Children, Care, Concern, Action Against Hunger and International Rescue Committee. Activities include providing assistance to small scale farmers, encouraging communities to repair local infrastructure, providing income generating opportunities and job opportunities and supporting local businesses and services to resume operations. This will assist almost one million people and reduce dependency on food aid in Punjab and Sindh Provinces.	19.96

DFID has also brought forward a £10 million programme to provide bridges as part of the early recovery effort.

Notes

1. DFID has deployed humanitarian experts to support DFID Pakistan on a full time basis since July 2010.
2. All of DFID's humanitarian assistance is provided on the basis on the assessment of humanitarian need and through humanitarian agencies which are impartial and neutral.
3. "Assistance" activities include the provision of; food, shelter, water and sanitation, non food relief items (blankets, cooking sets, sleeping mats, jerry cans etc) and health services.
4. "Protection" activities comprise a wide range of activities aimed at ensuring respect for the rights of all individuals.
5. Running costs (£3.75 million) will be taken from the balance of the programme.
6. DFID has also funded surge staff to fill critical gaps in key UN Agencies such as OCHA and WFP through the international humanitarian stand by arrangements.
7. Shelter includes Non food items (NFIs).
