Order by The House of Commons to be printed

LONDON: HMSO

Introduction

**Vote on Account
for 1994-95**

The Vote on Account provides finance to allow existing services to continue in the early months of the coming financial year, pending Parliament's consideration of the main Supply Estimates for 1994-95. By "existing services" is meant services for which Parliament has given approval before 31 March 1994. Statutory authority for the issue of a sum from the Consolidated Fund equal to the Vote on Account will be sought in the winter Consolidated Fund Bill.

2. The main Supply Estimates for 1994-95 will be presented in the spring. Parliament normally authorises the provision sought there at the end of July or early August, when the Appropriation Act is passed.

Amounts required

3. The 1994-95 Vote on Account of the House of Commons: Administration (Class XIX. A. Vote 1) represents 45% of the total amount already voted for the corresponding services in the current year.

4. The 1994-95 Vote on Account of the House of Commons: Works Services (Class XIX. A. Vote 2) is 45% of the amount already voted for the corresponding services in the current year.

5. The amounts required on account should be sufficient to ensure that the provision made for each service is not exhausted before the Appropriation Act is passed in the summer, but not so high as to pre-judge Parliament's consideration of the main Supply Estimates.
