Re: Discussion Paper 04 Airport Operational Models

To the Airports Commission,

SkyTeam, the global airline alliance, is writing to you this letter in response to 'Discussion Paper 04: Airport Operational Models', chapter 4 page 50 section 4.52.

London Heathrow (T4) is considered as the main UK & London Airport. Heathrow is of utmost importance for our member airlines operating to London.

Relocating to another London or UK airport is **not** an option for our members.

SkyTeam and its members trust to continue to use London Heathrow in the future.

Yours Sincerely,
