Question 1 (para 25)

What are your views on the overall principle of reducing audit requirements for unlisted companies?

Comments:

It would align the UK with the EU, which would improve the UK's legislative competitiveness.

The removal of audit requirements would however increase larger audit costs as audit firms recoup lost income and will also reduce the number of smaller audit firms.

Question 2 (para 29)

A Do you agree with the underlying assumptions in our Impact Assessment that at least 60% of small companies now eligible will take up the audit exemption?

B Do you agree that the whole of the audit fee will be saved?

C Do you agree that there is no saving of management time for small companies taking up the audit exemption?

A	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure
B	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Not sure
C	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Not sure

Comments:

Many companies will take up the exemption and reduce audit costs and time. There will however be some additional work required where small companies have relied on auditors "finishing off" the accounts.

Question 3 (para 33)

Do you agree that the audit and accounting exemption for small companies should be aligned and a small company should be able to obtain the audit exemption if it meets two out of the three criteria?

☒ Yes ☐ No ☐ Not sure

Comments:

Question 4 (para 36)

Do you agree with option B to exempt qualifying non-dormant subsidiaries from mandatory audit of their accounts?

☐ Yes ☐ No ✓ Not sure

Comments:

Question 5 (para 36)

Under Option C, what would be the effect of exempting qualifying non-dormant subsidiaries from mandatory preparation of accounts, mandatory filing of accounts and mandatory audit of accounts?

Comments:

Reduced regulation may result in more complicated structures but will reduce the administrative burden.

Question 6 (para 38)

Do you agree that the Government should exempt qualifying dormant subsidiaries of whatever size from mandatory preparation, mandatory filing and mandatory audit of accounts? What difference would this make to your business and to the wider economy?

✓ Yes ☐ No ☐ Not sure

Comments:

Reduced regulation will reduce the administrative burden saving costs. This will also reduce the need for accountants and audit staff.

Question 7 (para 40)

A Do you agree that in addition to the Article 57 exemptions, in order to qualify, a subsidiary company should be unquoted, not involved in financial services or insurance and not fall into the category of certain other companies under industrial relations legislation, in line with the existing exclusions from the audit exemption in UK company law?

B Why? What difference would this make to your business and to the wider economy?

A ✓ Yes ☐ No ☐ Not sure

B Comments:

Companies acting in the public interest or that affect a wide range of stakeholders should not be exempt.

Question 8 (para 40)

What would be the consequences (e.g. to investors, depositors or lenders or to the wider economy) of allowing financial services subsidiaries to take advantage of this exemption?

Comments:

Fraud, reduced investment and some very interesting local structures.

Question 9 (para 41)

Do you agree that the same rules on exemptions for qualifying subsidiaries should broadly apply to Limited Liability Partnerships and unregistered companies?

☐ Yes ✓ No ☐ Not sure

Comments:

Question 10 (para 46)

Do you agree with our estimate of the savings of the cost of the audit as detailed in the impact assessment, and in particular the underlying assumptions:

A That the average cost of the audit is in the range of £8,000 to £83,000 per subsidiary?

B That 75% to 100% of qualifying subsidiaries will take up the exemption?

C That 10% to 25% of the audit cost of each qualifying subsidiary will be saved?

A	✓ Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure
B	✓ Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure
C	✓ Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure

Comments:

Question 11 (para 46)

Do you agree with our estimate of the saving of management time interacting with the auditor and in particular, with our underlying assumptions that for subsidiary companies the saving will be 5 hours of senior management time, which gives rise to £60 to £273 saving per company, depending on size of company?

☐ Yes ✓ No ☐ Not sure

Comments:

I would revise this figure upwards.

Question 12 (para 46)

Do you agree with our estimate of the saving of the cost of management time to prepare and file qualifying dormant subsidiary accounts and in particular the underlying assumption of the £280 per dormant subsidiary?

☒ Yes ☐ No ☐ Not sure

Comments:

Question 13 (para 47)

Do you agree with our estimate of the cost of taking legal advice of £110 per subsidiary in the first year only, but that if the Government provided guidance on an acceptable form of the guarantee, this cost of legal advice would be zero?

☐ Yes ☒ No ☐ Not sure

Comments:

Legal costs could be higher but guidance would help.

Question 14 (para 49)

Have views of stakeholders expressed to the Company Law Review changed since 2000?

☐ Yes ☒ No ☐ Not sure

Comments:

Question 15 (para 49)

Do you agree with the Government's conclusions on the likely impacts that would have been involved in exempting non-dormant qualifying subsidiaries from either preparation or filing of accounts and that the costs of such a proposal would likely exceed the benefits?

☐ Yes ☒ No ☐ Not sure

Comments:

Question 16 (para 51)

Do you agree with the assumption that it is unlikely that the Government's proposals will have a significantly adverse impact on the number of small audit firms?

☐ Yes ✓ No ☐ Not sure

Comments:

There will be reduced work for small audit firms, which would not be covered by accounts preparation by UK bodies.

Question 17 (para 55)

Do you agree with the Government's assessment of the risks of the proposal?

✓ Yes ☐ No ☐ Not sure

Comments:

Question 18 (para 59)

Do you agree that the guarantee should be irrevocable and in respect of all debts in respect of that financial year? Until an audited set of accounts for the subsidiary is filed it will also be in respect of future debts incurred by the subsidiary

✓ Yes ☐ No ☐ Not sure

Comments:

Question 19 (para 60)

Do you agree that the guarantee should cover the "debts" of the subsidiary and not extend to its "liabilities"?

☐ Yes ✓ No ☐ Not sure

Comments:

This requires more thought and a clear definition of what should be covered.

Question 20 (para 63)

A Do you agree with the proposals for the Guarantee?

B Do you think the form of the proposed guarantee will encourage its take-up in line with our assumptions above (75-90%)? If not, why not?

C Do you have alternative proposals that would not gold plate the Directive, provide adequate protection for those to whom the subsidiary owes a debt, but do not make it unlikely that the parent would issue such a guarantee?

A	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure
B	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure
C	<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Not sure

Comments:

☒ Yes ☐ No ☐ Not sure

Comments:

Question 22 (para 76)

Do you agree that the Government should impose restrictions on companies' ability to move from IFRS to UK GAAP?

☐ Yes ☒ No ☐ Not sure

Comments:

Question 23 (para 76)

How frequently should a company be able to move from IFRS to UK GAAP, unless there is a relevant change in circumstances?

☐ Every year ☐ Once every 3 years ☐ Once every 5 years ☒ Never ☐ Not sure

Comments:

"a relevant change in circumstances" could be defined better, but is broad enough for purposes of most entities,

Question 24 (para 78)

A Do you agree with the Government's estimate that 90% of eligible subsidiary companies will take up the option?

B Do you agree that the saving for each company will be £569?

A	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure
B	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Not sure

Comments:

Question 26 (para 86)

☐ Yes ☐ No ☒ Not sure

Comments:

Question 27 (para 27)

☒ High risk ☐ Low risk ☐ Not sure
