TO Whom IT MAY CONCERN

Dear Sirs,

I am writing to you with the potential legislation changes and the impact it would have with my Landlord.

I've been a tenant with Admiral Taverns for years and during this time I've been treated fairly and have been more than happy with the level of support I've received. I am fully aware of being tied and the differences of being free of tie, I feel the support I receive is beneficial to my business.

My concern with the new legislation that Admiral would not be able to support me the way they have in the past.

I've been in the license trade for 23 yrs and do not understand why changes need to happen as this is a challenging business as it is without any more changes.

Yours Sincerely
