Dear Sir

Government Consultation Pub Companies

We have been at [redacted] now since [redacted] and the running of our business along with Punch Taverns has been a successful one.

Overall we cannot praise our Business Relationship Manager - [redacted] enough. He is always there for us should we need any help or advice with anything. Should we encounter any issues, he will always deal with them rapidly and liaise between ourselves and Punch Taverns.

We have also had dealings with the finance department who were also very professional and helpful.

Yours faithfully

cc. [redacted] - MP
