Dear Mr Cable

Following recent publicity about tied pubs I wanted to contact you with a different view.

I am in the process of taking on a tenancy with Punch Taverns as an easier entry to the trade (I am currently running the as a tenant at will).

I didn't have the funding to purchase a freehold and whilst I know that I would be able to source beer cheaper I wouldn't receive the business support I do currently and expect during my tenancy.

Upon completion of my agreement I will receive a significant refurbishment of my pub which will allow the to attract new & lapsed customers.

So far I have received advice on business development that has/will prove invaluable to my business and enable me to provide for my family.

I'd like you to focus your efforts on tackling the supermarkets who are selling alcohol at a loss and providing a VAT reduction to small business' like mine.

Thanks for taking the time to read this letter.

Regards,
