> I have been given full support at the relaunch when it comes to marketing, local advertising and product selection. As part of the refurb the catering kitchen had a major refit to enable us to introduce food. Full support was given for food launch to, with help on menus, signage out front of pub and even menu holders have been provided, we are still a wet led pub but the food is going from strength to strength.

>

> I look forward to continuing a mutually successful working relationship with B.D.M and punch taverns
