Dear Sir or Madam

I am writing as happy tenant to express my concern over the news of new laws for myself and my Pub Company.

I have run the commercial for _____ and i all also have _____
both of these are as tenants for Admiral Taverns.

I have a good working relationship with ' _____ , who is when i need him there to help and also makes the paper work easy to understand

As a _____ tenant the work is hard, but we do make a living at the end of the day.

I do not need any more red tape or regulation which only adds to my daily work load

An example of this is the new gaming duty which is just more work for me to do.

I feel that the man or lady behind the bar needs to be heard and their views recorded

Yours Faithfully _____
