**Subject:** A moment of your time please?

As you are probably aware as a pub co we are embarking on a government consultation as it has become clear that the Pub Co/Tenant relationship is viewed as one of general dissatisfaction by MP's and Government. In order to give a more balanced view of the PubCo / Tenant relationship we are seeking Partners that are happy with their relationship with Punch to write to both Vince Cable and Local MP's expressing their satisfaction with their experience with Punch Taverns and how they have been supported.

I would really appreciate it if you could take a short moment of your time to help me/us with the this, I have attached 2 recent letters written by a couple of our partners as an example, as you can see it doesn't have to be war and peace and it doesn't have to be as long as the attached but a simply statement of your satisfaction about your relationship with Punch. Some content subjects as an example you could use are;

- a. Investment
- b. Entry to the trade
- c. Financial support or rent reduction

05/12/2013

- d. Business Support and advice
- e. Relationship with PDM/RBM
- f. Roadshows
- g. Licensing
- h. Marketing/Design & Print
- i. Real Ale
- j. Buying Club

If possible could you please put together a few words and send to the below via email with the subject header. "Re: Government Consultation Pub Companies and Tenants April 2013"

1. Vince Cable – [enquiries@bis.gsi.gov.uk](mailto:enquiries@bis.gsi.gov.uk)
2. Your local MP – [wallaceb@parliament.uk](mailto:wallaceb@parliament.uk)
3. Copy sent to me so I can pass onto Punch.

Also can I possibly please ask if you can send the above 3 emails by Tuesday the 4<sup>th</sup> of June as that is our deadline?

If you need any support with this then please give me a call.

Thanks in advance for your support with this it really is appreciated.

*To whom it may concern*

*We have just reopened following a 4 week refurbishment of our premises and want to take time to thank everyone involved. Obviously without Punch, especially our BDM, this would never have happened so a big thanks to all at Punch who made it possible.*

*Also the design team, who have taken a tired old pub and brought it into 21<sup>st</sup> Century. According to the droves of people who have come through our doors since reopening they have made it into the best pub in - a fantastic food venue & pub that could now hold its own in any major city in the UK against any of the major branded pubs. Although we had a vision of how we would like the pub to look, has far exceeded our expectations by adding style and class, their excellent eye for detail and colour has given true warmth and atmosphere in the pub, everyone loves it.*

*company carried out all the building work, and they were true professionals to deal with and their workmanship and attention to detail and finish have ensured that the pub looks truly amazing.*

*I think you will have gathered from this email that we are delighted with the new look and will certainly be recommending both these companies to anyone looking to carry out a similar project. Punch taverns made an excellent choice appointing these two companies.*

*Thanks again to everyone involved*

*Regards*
