Subject: Tenancy agreement

To whom it may concern

I have held a tenancy agreement with enterprise inns for approximately 9 months . The agreement I have is fair and I have like other publicans signed to say I am happy with this deal . Enterprise have helped , advised and invested in both the site and myself . I believe that without the tied house model some people would not be able to enter this industry . If the site I had was free of tie ,yes long term I would make money but I would not have been able to get into the pub due to higher deposit and weekly costs . I have been offered numerous free training courses and as much POS as I need . In my experience they are a good sound company with many happy publicans
