To whom it may concern

My name is [REDACTED] and I currently hold the tenancy of [REDACTED]. I tenant my pub through Enterprise Inns. I have had the tenancy for 18 months now and if it wasn't for the brewery allowing tenancies I would not be in this position at all.

In the year and a half I have been in pub Enterprise have bent over backwards to help and support me along with my Business Manager. If it wasn't for their help I wouldn't be doing the job I love so much. I would have been stuck in some mundane job that I hated. With the help of these I am now my own boss doing a job I truly love daily.

I am also on a package where if my boiler breaks I am covered through my tenancy to get it repaired. The pat testing and the Health & Safety appliance is also a great help. It just would not be possible to do this with out the tenancy.

As I have regular contact throughout the year with my business manager I know exactly where I stand. I am so looking forward to renewing my contract and hoping to renew it for the next 5 year.
