

To Whom it may Concern,

I Am Writing to you as I Am Worried about the Impact of any of the Potential introduction of Legislation around my Relationship With my landlord ADMARAL TRAVELLS,

I have Run for almost years, But have been a tenant of ADMARAL TRAVELLS since in that time I have had full support of ADMARAL TRAVELLS in many ways which include Staff training and Major Property Maintenance of which I could never have been able to carry out or provide.

I understand that whilst I am tied to ADMARAL TRAVELLS for my stock, which is marginally more expensive than other sources, my Rent stays at an affordable level. which if

INCREASED, WHICH I AM SURE IT WOULD  
IF THE BEST TIE WAS RELEASED I WOULD NO LONGER  
BE ABLE TO TRADE AS A SOLE OPERATOR BECAUSE I DO  
NOT HAVE THE BUYING POWER TO OBTAIN REDUCED  
PRICES. THIS ALSO WOULD RESULT IN THE LOSS OF  
MY LIVING AND THE JOBS OF MY STAFF.

I DO NOT SEE WHY THIS REVIEW IS NECESSARY  
I HAVE BEEN A TENDANT OF ADMIRAL FOR  
YEARS, WITH NO COMPLICATIONS OR WORRIES  
IF SOMETHING IS NOT BROKEN WHY TRY TO FIX IT.

Yours Sincerely
