My name is [redacted] I have been the licensee of the [redacted] pub for the last 12 years, the pub is owned by enterprise inns. In my time at the pub I have had a good working relationship with enterprise. As you are well aware the running of a small local pub has become a lot more difficult in the last few years with no smoking and cheap beer from the supermarkets, I personally have found it very difficult in the last two years. I had no option but to ask enterprise for some financial help after a couple of meetings with my area manager they came to my aid with better discounts and a reduced rent for a period, this has helped me to rebuild my finances and hopefully remain in my position for the long term
