Dear Sirs

PUB COMPANIES AND TENANTS:
A GOVERNMENT CONSULTATION BY THE
DEPARTMENT FOR BUSINESS, INNOVATION AND SKILLS

I write on behalf of Daniel Batham & Son Ltd., and in response to the Government consultation.

We strongly oppose the imposition of a Statutory Code on the industry as proposed by the Department for Business, Innovation and Skills. As members of the IFBB and BBPA the Company wholeheartedly supports both their detailed responses.

Our industry has already suffered too much unwarranted Government and European interference over recent years and given the extreme pressure on business in this recession, we appeal to the Government to finally let our industry get on with trying to make a success of pubs in collaboration with our licensees as opposed to spending even more time grappling with yet more regulation.

Yours Faithfully

Tim Batham.
