Subject: ref Tenanted Trade Model

Dear Sir/ Madam,

With regards to reports in the media at present I would like to take just a moment of your time to say that we have benefited from the Tenanted Trade Model, without this we would have not been able to enter into the pub trade as we were able to purchase into our business at a low cost, and also without the help and support of the company and our regional manager through the difficult times I dont think we would have been able to keep our business going.

No two days are ever the same in the pub trade but the bills and outgoings still stay the same, more people should be given help and support before its too late and all the pubs become closed.

Regards
