Subject: feedback on punch investment

Dear Sirs,

I would like to take this opportunity to thank everybody involved in our refurbishment. without the support of Punch Taverns and most importantly my BRM it would not have been possible.

The builders and designers did a excellent job in restoring and updating a tired and dated public house in . I personally want thank

for all his input and support from the outset . The is now back where it belongs as indivual pub in the heart of

yours
