

Dear Sir,

I have been here at the

for 3 years and in that time, have been.

Supported very well by

my bdm and

admiral taverns.

and Admiral seem to

understand how to run a business unlike some

other Pubco's? the threat of new regulations

being proposed by the government may change

our "special relationship" with the constant

threat of pubs going bust is this the best time

to change thing?

I will forward a copy of this letter to
my local mp.

Yours truly
