I have been the Landlady at [redacted] in [redacted] now for a year, I started working at [redacted] when I was 17yrs old collecting glasses then at 18 on the bar, I am now [redacted] and running [redacted] was a dream I had. January last year the previous landlady handed in 6 months notice and straight away myself and my partner was on the phone. We had 1 problem we didn't have enough money to make our dream come true but lucky enough enterprise were happy to take a chance, We entered the pub on a tenancy at will [redacted] 2012 and in [redacted] 2012 signed a full tenancy for 5yrs. [redacted] is our area manager and has been supportive throughout the year he is always on the other end of the phone if we have any problems advising us what to do next or if he's in the area he would pop in. Without enterprise I would never be able to fulfil my dream.

It has been a rollercoaster of a year but we wouldn't change anything.
