REDACTED

I don't see a problem but have asked our comms teams. Will get some images over to you as soon as we can.

Regards

Subject: Frac rig/site image that DECC could use in its EDU booklet

REDACTEDREDACTED

Aberdeen are revising the DECC Energy Development Unit booklet for the UK. OUGO will have a page outlining their role.

Would Cuadrilla be willing to supply a photo of their drill rig, on-site? Something a little generic without obvious Cuadrilla logo/sign would be ideal.

Can you let me know.
