**New Airport Proposal**

**Re: Mr. John Morley of 11 Coles Lane, Milborne St. Andrew, Blandford Forum, Dorset,  
DT11 0LG**

I am writing to you on behalf of the above constituent, who has contacted me with his suggestions for alternatives to a new airport in London. Please could you bring them to the attention of the airports commission.

I have enclosed a copy of his correspondence and would be grateful for any comments the commission may have on the points he raises.

Kind regards,

**Robert Walter MP**

Why has no one thought of reactivating the Greenham Common airfield and improving the rail link from Newbury to London.

This way it would help the pressure on Heathrow and also help travellers wanting to fly intercontinental from the south and also the west!

Best wishes
