NIGHT CLUBS

Mons is your local small city, which has a number of places for entertainment for all ages. The main “SQUARE” is known as the “GRAND PLACE”. Bars and Cafes surround it that will cater for all tastes; it’s ideal to sit down and watch the world go by.

The nightspots in Mons do not cater for music alone. Most establishments are combined music and bar and many have restaurants incorporated. The Copenhagen Tavern located on the Grand Place in Mons, is very good and they have over 100 different beers, you can certainly quench your thirst there, always a good place to start. Also situated just off the Grand Place on the way

to the Mini Place is an Irish Bar and this has great atmosphere and live music at weekends.

There is an American Bar & Pool Hall called Conway's, along the Route d'Ath in Jurbise. Live music seems to be a regular occurrence here.

Within SHAPE there is the IC club. On Fridays the bar is open for Happy Hour where food is provided free of charge. Further afield in Brussels there is an array of Clubs, Bars and Restaurants, far too many to mention, but just enough to get to during your tour. The Celtica, O'Rileys and the Danish bars are very popular and have a good atmosphere.

Reports have been filtering through that there is a "Vampire Bar", it's just off the Grand Place, well worth a visit and reportedly all drinks are served in "SCULLS"! All these bars are in and around the main "Grand Place" just 5 minutes walk from Brussels Central.

RESTAURANTS

There is a wide range of restaurants in the local area. There is something to cater for every taste imaginable. Tastes range from the simple i.e. McDonalds to the very sophisticated, somewhere to take the special person in your life.

The local area has many different tastes, Chinese, Turkish, Greek and Italian and of course the Belgian cuisine. Belgium is known to produce the best "Chips" in the world, they are also known for such delicacies as Moules (mussels) and Waffles and of course what they do best is produce some great Beer, some say "The Best". Remember most people, no matter how hard they try, succumb to the **SHAPE STONE!!!!!!**

The Belgians have mastered the art of eating and drinking and have many places to visit; they even have a "Museum to the Chip".

You will have fun exploring this avenue of Belgian Culture. We have a few lists of enjoyable places to eat and receive up to date information regularly from people at SHAPE who wish to share their experiences with everyone. So come into the HIVE and see what we have and of course when you start your own exploring bring us your discoveries.

SECONDARY EDUCATION

There is no British Secondary School at SHAPE. You do have a few choices. Your child/children can attend a boarding school in the UK, or become weekly boarders at Windsor School in Rheindahlen, Germany where transport is provided. The transport brings your children back every Friday evening and returns them every Sunday afternoon.

For further information Tel 0049 2161472 2466 or visit the webpage at www.scewindsorschool.com

Your other option is to send your children to the SHAPE International School where there are three separate sections, Belgian, German and American. All will accept British children, though you have no guaranteed right to a place. In most cases these sections will not be suitable for children approaching GCSE'S due to the differences in the syllabus and language etc, but they may be an option for children aged 11 to 13 who don't like the idea of boarding.

As with all major decisions if you need any information then you should take advice from the Education Office here on SHAPE who also hold directories on Independent and Boarding Schools in UK and have several discs on information on all schools in all areas of UK.

For all children attending full time education at SHAPE there is a bus service, which covers a wide area around SHAPE. A bus pass should be obtained once you have arrived and sorted out your educational requirements. These are available from the office by the school canteen.

OTHER AGENCIES

SSAFA Forces Help In-service Committees provide assistance and support to serving men, women and their families in need. They meet regularly to decide how money is raised and distributed and discuss other matters of concern to the local community. For more information, call JHQ Mil: 3392 or Civil: 02161 472 3392.

Victim Support offers emotional support, information and practical help to those who have been affected by crime. Volunteers attend courses specially designed for them which allow them to help victims come to terms with the disturbing effects of crime. Interested volunteers should contact JHQ Mil: 2272 or Civil: 02161 472 2272

Girlguiding

British Guides in Belgium

There are Rainbow, Brownie and Guides here in Belgium. We have waiting lists because of the continuing popularity of Girl guiding and a shortage of adults coming forward to offer a little of their time in helping to run the groups. More adult helpers mean shorter waiting lists. Any help you can offer will be much appreciated and we will soon be able to offer more girls the chance to take part in guiding. Contact the HIVE and ask for more details.

COUNCIL OF VOLUNTARY WELFARE WORK (CVWW) (BFG)

 aimed at young adults between the ages of 17 and 25. Activities include field craft, weapon handling, and target shooting. During the year cadets can attend flying camps in UK, weapons camps in Germany and fund raising events for both Army and RAF Benevolent Funds. There are currently 3 Squadrons in BFG, located in JHQ, Gutersloh, and Herford. Our volunteers need no experience or qualifications as full training is provided. For more information please contact Graham Pearce on JHQ Mil 2085 or Mobile: 0171 3692581.

The Council of Voluntary Welfare Work (CVWW) offers a varied selection of opportunities to volunteer. Whether working with children in childcare centres, with the European Christian Homes for the Soldier (ECHOS) in the Balkans or Iraq, in any of the Church Army, Salvation Army or YWCA centres in around the military Garrisons. You could even help the troops on exercise in Poland; there is always a need for volunteers. For more information on what is available, call Lt Col (Retd) John Batty on 05221 25001 or Herford Mil 3921

Foster carers provide stability, encouragement and a loving home to children who are temporarily unable to live with their own families.

British Forces Social Work Service currently need foster carers in all areas of BFG. If you feel that you could be a foster carer, call Marje Slavin on 05221 178 366

We make every effort to ensure that our information is current and correct. Your help is invaluable in keeping our records up to date by informing us of any changes to our handouts, by sharing any additional information, which may be of interest to others.
