

Sharing Defence Spectrum

Pricing Structure.

The prices set out in the table below are indicative at this stage and are given in good faith as a guide to current planning in order to assist you in determining whether to apply to share the spectrum referred to above. The prices should not be interpreted as an undertaking to share any spectrum at any particular value and the Authority reserves the right to make such changes to the indicative prices as it considers necessary prior to entering into any contract.

All prices in the table are payable annually. Prices listed exclude VAT which will be added at the appropriate rate during contract preparation.
