

Dear Sir,

The Town Council has considered the GDF siting process consultation. It has also considered the briefing paper and response compiled by the Cumbria Association of Local Councils.

The Town Council considered that CALC had put together an excellent response to the consultation, which provided a measured and reasoned response to all the questions of the consultation. The Town Council agreed that it could not offer any additional thoughts on the consultation as the CALC response had been so comprehensive, therefore, it wishes to support and endorse the response submitted by CALC.

Kind Regards,  
Jeanette
