## **Rye Harbour - Conditions of Registration**

1. Upon payment of annual harbour dues the Environment Agency will issue a Registration Disc which is valid only for the boat in respect of which it has been issued and is not transferable to any other boat. The Registration Disc should be prominently displayed on the boat at all times. Annual harbour dues are payable in advance on 1 April and short-term Harbour Dues will be assessed at the applicable rate as determined by the Environment Agency from time to time.
2. The Environment Agency does not accept any liability whatsoever in respect of any damage to the boat, or any person or property, which may be occasioned by the breaking or parting of cables, anchors, chains or hawsers by which the boat may be secured.
3. Neither the Environment Agency nor their employees are in any way responsible for the safety or custody of the boat and the gear, fittings or any other property thereon.
4. The boat shall at all times be kept in a sound and watertight condition and anchored or moored in a good and sufficient manner with all necessary steps taken for the safety thereof.
5. The holder of a Registration Disc shall at all times comply with the bye-laws and other legislation then in force in the Harbour of Rye and with all directions given by the Harbour Master in the execution of his duties. The Registration Disc is granted without prejudice to the Environment Agency's rights, powers and duties in respect of the Harbour of Rye.
6. The Registration Disc shall cease to have any effect at the end of the period stated thereon.

## The Data Protection Act 1998

The new Data Protection Act requires that the Environment Agency advise its customers how data relating to individuals will be processed and disclosed.

The information provided by yourselves will be processed by the Environment Agency to deal with your application, to monitor compliance with the licence/permit/registration conditions, to process renewals, and for maintaining the relevant public register(s).

We may also process and/or disclose it in connection with the following:

- offering/providing you with our literature/services relating to environmental matters;
- consulting with the public, public bodies and other organisations (e.g. Health and Safety Executive Local Authorities, Emergency Services, DEFRA) on environmental issues;
- carrying out statistical analysis, research and development on environmental issues;
- providing public register information to enquirers;
- investigating possible breaches of environmental law and taking any resulting action;
- preventing breaches of environmental law; and
- assessing customer service satisfaction and improving our service.

We may pass it on to our agents/representatives to do these things on our behalf.
