Part G Data protection

We will process the information you provide so that we can deal with your application, make sure you keep to the conditions of the consent and keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

We may pass the information on to our agents or representatives to do these things for us.

Part H Confidentiality

Do you want any part of this information to remain confidential?

Yes

No

If yes, with this application form you must provide a separate sheet setting out the information you want to be kept confidential and the reasons for this. Label that sheet H1.

We will assess your request and confirm to you whether it meets the criteria for confidentiality.
