CAS status

The table below shows each status which can apply to a CAS.

As seen in SMS	Meaning
WORK IN PROGRESS	The CAS is still 'in draft' as one or more mandatory fields are yet to be completed.
READY TO GO	All mandatory fields are complete and the CAS is ready to be assigned to an individual.
ASSIGNED	The CAS has been assigned to an individual and is ready to be used in support of an application for leave to enter/remain in the UK.
WITHDRAWN	You have used the 'Manage live CAS' function in SMS to withdraw the CAS.
OBSOLETE	SMS has automatically changed the CAS status to 'Obsolete' as it has detected that another CAS assigned to the same individual has been marked as 'Used' within the validity period of this CAS.
USED	The CAS has been used in support of a student's application for leave to enter or remain.
EXPIRED	EITHER: The individual has not made an application for leave to enter or remain before the expiry date of the CAS. A new CAS is required. OR: The individual has applied before the CAS expiry date but we have not considered their application before that date. In this case, no action is required on your part; we will change the status of the CAS from EXPIRED to USED when the application is considered.
CANCELLED	The CAS has been cancelled as your licence has been revoked or has expired, or you have surrendered the relevant routes / your whole licence prior to the CAS being used.
