I am a leaseholder at the above premises and have been for the past years, during this time I have had a good relationship with both the company and the lease managers the company are about to invest in my lease pub with quite a substantial refurbishment of which we are all excited about.
I do believe the future looks good for the pub, myself and all the staff and customers and my rent and beer costs are acceptable with the amount of investment given.

Hi
Are you going to write a couple of short lines in support of us?
Cheers
