Subject: Tenancys

We have a pub in that we managed for 3 years and in we decided to take it on on a TAW and are now in the proceeds off signing a 5 year tenancy and enterprise are helping us to refurbish the pub to give us a better start in business, find that enterprise have been very fair, helpful and very supportive. Our BDM has sat down with us on many occasions to give as much advise to fully understanding the agreement that we are entering and feel that it is the right deal for us we have had many years' experience in the pub industry working as managers for other people and as tenants for Punch and Enterprise. And that both punch and enterprise have always been fair and helped us all the way, we feel as the people that are complaining are wanting to lay blame on someone else and not take blame for there own mistakes in business it is a tough trade but the pub companies are always there to help these people know what they are getting into and don't complain when there signing up.

Yours sincerely
