Dear Rt Hon Dr Vince Cable & other members of parliament,

I am writing this letter on my experiences and views in response to the on going discussions regards the pub industry and changes being purposed.

I have been a tenant with Punch Taverns for months now and I have received a high level of support and assistance in anyway needed.

My BRM. has been a great help since starting out... From helping to finance sky sports to providing equipment and support at any point needed. Punch helped massively in providing support when I first took the site on by giving me reduced prices on my stock and openly negotiated a financial package that helped not just punch but both parties involved. They have also invested money recently into the site.

My experience with Punch Taverns have mainly been positive and I would defiantly take other pubs with Punch Taverns.

If I can assist in anyway going forward please do not hesitate to contact me.

Best regards,
