Dear Sirs, I have been Lessee of the _____ for nearly 20 years. I have found the landlords, firstly Unique Pub Company and then latterly Enterprise Inns to be have dealt with me with in a fair and transparent manner. Of course I wish I could buy beer cheaper, but I understand that this is part of the deal when leasing a pub. Over the years I have had many area managers, most of which have been pleasant to deal with and have been useful and informative when discussing business. I believe that the negative press the pubco's receive cannot be read as being applicable across the board as this is not the case with my experiences. Yours Sincerely.
