To who it may Concern.

I am writing this letter as I am very Concerned over the threat of the new laws for myself and my pub Company, and would like you to hear from a Satisfied pub tenant.

I run the in - and have been a tenant of Admiral Taverns Since .
 I am relatively new to the pub trade and without the option of becoming a tenant, with the Support that comes with that to assist me in developing my business I wouldn't have been able to take on a pub. My Pub has recently benifited from an investment which I Couldn't have funded myself. My B.D.F. provides me with Support and advice on growing my business with training, food development, And She always ensures that I have a good choice of Products. Admiral have always treated me fairly and been very Supportive of me in running my business.

I don't understand why legislation is necessary, as I have a good working relationship with Admiral Taverns and I am worried that the extra red tape will result in a reduction in the support that they provide to me and maybe increase my fixed costs. I like running the It provides a livelihood for me and my family that unnecessary red tape would threaten

I feel very strongly about this and the potential threat to my business. I hope you take my views into account in your review.
