Dear Sir/Madam,

I am writing this letter as I am very concerned over the threat of new laws for myself and my pub company, and would like you to hear from a satisfied pub tenant.

I have been a pub tenant for over 4 years and since 2010 being a tenant of Admiral Taverns, running The

I have a good working relationship with Admiral and my BDM . They have been very supportive of me and my business and always treated me fairly

Both the company and my BDM have helped me with their knowledge of the industry and supported me in developing all areas of my business

I enjoy running my business it provides a livelihood for me and my family and do not see the need to introduce unnecessary red tape to a industry that is already heavily regulated

I feel very strongly about this issue and I hope that my views will be taken into account

Yours sincerely
