Subject: Working With A Pubco

4TH June 2013

To whom it may concern,

I have been with Enterprise Inns since the end of . this year and on the whole everything has gone smoothly.

My area manager . has in my opinion gone out of his way to help whenever he can with anything that I have requested.

He has arranged for work to be carried out on the outside of the premises to make the building look better, and has authorised work to be carried out inside the pub at the expense of Enterprise Inns, which would normally be the tenants responsibility.

I would happily recommend Enterprise Inns to anyone thinking of going into business in the pub trade.

If you wish to contact me to discuss this in any greater detail please do not hesitate to contact me.

Kind regards,
