Dear RT Hon V GBCS

RE: Govt Consultation RD Co + TENANTS AIR 2013

My name is [redacted] and I have been running
the pub with my [redacted] since some 20
on a lease with Punch Taverns.

Since I have purchased the pub, Punch Taverns and my RAM,
have given me loads of support & advice to help me run
my business. Some key examples of this support, ~~are~~ a
significant rent reduction, free of charge advertising, and loads of
P&S and marketing support. I see my RAM on a 6y-monthly
basis and he also gives me loads of help & advice when
asked.

Punch Taverns have also allowed me to convert some of
my pub into letting rooms which give me more income,
absent of my renovation cost.

I have also recently taken a small Punch pub on
a tenancy as I saw this as an opportunity I couldn't
resist.

I would recommend Punch to other people if asked to do
so, praising they were able to get the right deal for them.
So far, taking a Punch pub has been challenging but so
rewarding, and I hope to be running this pub for some time
to come.
