Subject: Punch support

Dear sir,

I am new to the pub industry. I am now the tenant of a pub in , and have been for just over weeks. I have a good working relationship with my business development manager who has been in regular contact with me during my training period and ever since I took over the tenancy at the pub. It is reassuring to know I have the input, advice and support of my Bdm whilst also having the authority to implement my own ideas and ambitions.

Yours faithfully,
