NGEC shortlisted bidders: National Training Estate Prime

January 2012

The following organisations have been shortlisted to go forward to the next stage of the procurement process for the National Training Estate Prime, following the evaluation of pre-qualification questionnaires (PQOs).

The evaluation process looked at the evidence of the bidders' past performance which was submitted in the PQOs. This included technical capability, health and safety, financial standing, quality assurance, environmental management and equal opportunity and diversity.

The contract is to manage approximately 200,000 hectares of UK training estate, including management of all training establishments, areas, camps and ranges, including air weapons ranges, in the UK, when the current arrangement expires in 2013. Some sites will follow in 2014 and beyond. Key sites will include Salisbury Plain Training Area, Catterick Training Area, Dartmoor, Sennybridge, and Otterburn.
