**To the members of
Association of Indian Banks in the UK**

We have audited the financial statements on pages 3 to 12.

This report is made solely to the Trade Union's members, as a body, in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Trade Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept responsibility to anyone other than the Trade Union and the Trade Union's members as a body, for our audit work, for this report or for the opinion we have formed.

Respective responsibilities of the Council of Management and auditors

The Trade Union's Council of Management's responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Standards are set out in the Statement of Council of Managements' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. We also report to you if, in our opinion, the Council's Report is not consistent with the financial statements, if the trade union has not kept proper books of account, if the trade union has not maintained a satisfactory system of control over its transactions, if the income and expenditure account and the balance sheet are not in agreement with the books of account and if we have not received all the information and explanations we require for our audit.

We read the Council of Management's Report and consider the implications for our report if we become aware of any apparent misstatement within it.

Basis of opinion

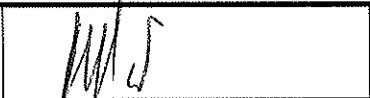

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Trade Union's Council in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Trade Union's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Trade Union's affairs at 31st December 2013 and of its income and expenditure for the period then ended and comply with the provisions of the Trade Union and Labour Relations (Consolidation) Act 1992.
