## ACCORD

## NOTES ON FINANCIAL STATEMENTS

31 DECEMBER 2013

**1. Constitution**

The Union was formed on 1st August 1977. Membership is open to all employees of Lloyds Banking Group plc, which is to include any subsidiary or merged organisation and any limited company or firm owned by or under the control of Lloyds Banking Group plc, or such other employers as the Principal Executive Council shall from time to time determine. The Union represents the interests of its members in all matters relating to their employment.

The Union is registered as a trade union and has received its Certificate of Independence under the Trade Union and Labour Relations (Consolidation) Act 1992.

**2. Statement of accounting policies**

The financial statements have been prepared in accordance with applicable accounting standards.

**Accounting convention**

The accounts have been prepared under the historical cost convention. The principal accounting policies which the union has adopted within that convention are set out below.

**Turnover**

Turnover represents amounts receivable in respect of subscriptions and other services.

**Fixed asset depreciation**

The provision for depreciation is calculated on the net cost of fixed assets so as to write off fixed assets as follows:

Freehold property	50 years
Fixtures and fittings	2-10 years
Motor vehicles	4 years

**Leasing**

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

**Fixed asset investments**

Fixed asset investments are stated at cost less provision for a diminution in value which is considered permanent.

**Pension costs**

The pension costs charged in the financial statements represent the contributions payable by the company during the year in accordance with FRS 17.

**Foreign currency translation**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

## ACCORD

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ACCORD

We have audited the financial statements of Accord, which comprises the income and expenditure account, the balance sheet and the associated notes numbered 1 to 10, for the year ended 31 December 2013. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the union's members, as a body, in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union and the union's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of the Principal Executive Council and auditors

As described in the Statement of Principal Executive Council's Responsibilities, the Union's Principal Executive Council is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. It is our responsibility to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the union's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the officers; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2013 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992.
