National Union of Mineworkers (Colliery Officials and Staffs Area)

**Independent Auditors' Report to the Members of
the National Union of Mineworkers (COSA)**

We have audited the financial statements of National Union of Mineworkers (COSA) for the year ended 31st December 2013 which comprise of the income and expenditure account, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set therein.

This report is made solely to the Union's members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the National Union of Mineworkers (COSA) and the members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the members and auditors

As described in the Statement of Members Responsibilities, the members are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. We also report to you if, in our opinion, the National Union of Mineworkers (COSA) has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Council in the preparation of financial statements, and of whether the accounting policies are appropriate to the Federations' circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

We have undertaken the audit in accordance with the requirements of APB Ethical Standards including APB Ethical Standard - Provisions Available for Smaller Entities, in the circumstances set out in note 7 to the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Union's affairs as at 31st December 2013 and of its surplus for the year then ended and have been properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992.
